It seems to be a point for consideration whether the Stamp Commr may not be empowered, by a modification of the rules, to grant such refunds so that these small matters may not be coming up to Govt for sanction. A limit may also be fixed for the exercise of such powers since the question of revenue to Govt is involved.

What harm can there be in empowering the Stamp Commr in the matter when D. Cs. have already been empowered in it? As observed in the offg orders, it will save petty cases coming up to Govt for orders.

Sir,

In forwarding herewith petition dated 5th July 1921 together with its enclosure (a stamp paper of the value of Rs.16/-) received from Mr. Mohiyuddin Sheriff retired Amildar, praying for the refund of the value thereof, I have the honor to state that it is seen from the petition that the parties who originally agreed to sell their landed property to the applicant, put off the execution of the document for a long time, that some two months ago they changed their mind and expressed their unwillingness to part with the property, and that consequently the transaction fell through. As the Stamp paper has been presented for refund after the prescribed period of 2 years, I request that in the above circumstances, orders of Government may kindly be obtained for the refund.

I have the honor to be,
Sir,
